FOREWORD

The Business Expansion and Commercialization Division of Alberta Agriculture and Food presents Alberta's Agricultural Processing Industry Directory as a reference for use by the business community, government agencies and other interested parties. It serves to update users with current company information including contact personnel, products and brand names.

The directory has been divided into four sections.

1. Alberta's Agricultural Processing Industry

Includes a summary of key contacts and services available to the agri-processing industry from Alberta Agriculture and Food and other partners and an overview of the value of the agricultural processing industry in Alberta, including statistical tables and charts.

2. Alphabetical Product Index

Companies are listed according to broad product categories. Page numbers are provided for easy access to the complete company information.

3. Alphabetical Listing of Alberta's Agricultural Processing Companies

Firms are listed in alphabetical order. Complete company information is provided including address, telephone, fax, email, web site, management contacts, export contacts, products and brands.

4. Alphabetical Listing of Industry Organizations

Complete information is provided for key industry organizations including address, telephone, fax, email, web site, and contacts.

5. Index by Location

Firms are listed by their location. An Alberta map has been included for reference purposes.

Considerable effort has been taken to ensure the accuracy of the company listings and information shown and we regret any errors or omissions. The directory was prepared by the collation of information made available to Alberta Agriculture and Food and neither the Department nor any of its employees assume any legal liability or responsibility for the accuracy, completeness or usefulness of the information. The listing of any company or product in this guide does not reflect an endorsement of the company or product by Alberta Agriculture and Food.

We ask your assistance in keeping this directory current. As changes occur in the information presented for any company or organization listed, or if you are an Alberta processor and wish to be included in the next edition, please contact:

The Value Chain Initiative Specialists work with clients to evaluate the value chain approach and identify opportunities to deliver value to the consumer and the customer.

Bio-Industrial Technologies Branch

Agri-Food Discovery Place, Bldg F-83, 6004 - 118 Street, Edmonton, Alberta T6H 2V8 Phone: 780-644-8118

This branch operates a facility equipped with a product development laboratory, physical properties testing laboratory and pilot plant where a staff of engineers and technologists conduct research and development projects aimed at solving problems encountered by agricultural value-added processing.

Bio-Industrial Development Branch

304, 7000 - 113 Street, Edmonton, Alberta T6H 5T6 Phone: 780-427-7366

The branch assists agri-processors in emerging agricultural sectors of bio-fuels, fibre and bio-plastic monomers, bio-lubricants, and cosmetic and personal care ingredients.

Agrivalue Processing Business Incubator

4301 - 65 Avenue, Leduc, Alberta T9E 8T2 Phone: 780-980-4244

The Agrivalue Processing Business Incubator (APBI) is a newly opened 75,000 sq ft CFIA registered facility offering privately accessed, fully serviced food processing suites of varying size, design and leasing costs. It is complemented with shared shipping and receiving bays and cold storage. The APBI is dedicated to assisting food processors in the scale up and commercialization of new products and technologies so they can eventually establish their own facilities. Early stage business entrepreneurs and the more established food organizations will find the Incubator and its campus of services a unique avenue for developing and processing an array of food products for the value-added market.

Food Processing Development Centre

6309 - 45 Street, Leduc, Alberta T9E 7C5 Phone: 780-986-4793

A modern, fully equipped pilot plant and product development laboratory facility staffed with experienced food scientists, engineers and technologists. Centre services are designed to strengthen and expand the capability of Alberta's food processors to meet the challenges of the marketplace through application of new technology and the development of new or improved products and processes.

Food Science and Technology Centre

Crop Diversification Centre South, SS #4, Brooks, Alberta T1R 1E6 Phone: 403-362-1339

Staff at this facility conduct applied research in post-harvest handling, storage and value-added processing of horticultural and special crops and also provide technical leadership to ensure that Alberta companies have the specialized knowledge and capabilities to compete globally.

Sensory Evaluation Centres

Food Processing Development Centre, 6309 - 45 Street, Leduc, Alberta T9E 7C5 Phone: 780-986-4793

Consumer Product Testing Centre, 106, 10030 - 107 Street, Edmonton, Alberta T5J 3E4 Phone: 780-415-6268

The Centre provides comprehensive sensory evaluation services, which include both consumer acceptability and trained panel testing. Through the use of trained panels, researchers and industry assess the effect of ingredients and processes on their product initially and over time by measuring human responses that cannot be predicted by chemical or instrumental measures. Consumer panels are also used to measure product acceptability and can provide information about specific product attributes such as flavour, appearance, texture and packaging.

Alberta International, Intergovernmental and Aboriginal Relations, Agriculture and Food Branch

301, 7000 - 113 Street, Edmonton, Alberta T6H 5T6 Phone: 780-422-9746

The Agriculture and Food Branch is a primary point of contact for agri-processors that are ready and capable of pursuing export markets. With a focus on the international markets of the United States, Mexico, Asia and Europe, the Branch provides market intelligence and consultation on a specific country or product; assistance with export questions, issues or challenges; market access information; contacts for a particular market or specialized service; and networking opportunities for Alberta industry and international contacts.
